Section A - Policy Introduction & Ethos

The purpose of this policy is to detail how The Flying High Academy Ladybrook ensures that all children and young people enrolled in the school are protected and safeguarded from harm, reflecting current legislation, known best practices, and compliance with relevant government guidance.

This policy applies to all staff, governors, volunteers, and visitors, and outlines the school's commitment to safeguarding and promoting the welfare of children as a core part of its ethos and values. Safeguarding is everyone's responsibility, and this policy sets out the expectations for a whole-school approach to child protection.

This policy is informed by the statutory guidance *Keeping Children Safe in Education (KCSIE) 2025* and *Working Together to Safeguard Children 2023*, which together set out the responsibilities of schools and other agencies in identifying, responding to, and preventing harm to children.

The Flying High Academy Ladybrook Ethos

At The Flying High Academy Ladybrook, safeguarding is rooted in our core value of care which underpins everything we do. We are committed to creating a safe, inclusive and nurturing environment where every child is known, valued and empowered to thrive. We believe that safeguarding is everyone's responsibility and that children's welfare is central to school life – from teaching and learning, to pastoral care and enrichment. Our culture of high expectations is shaped by kindness, confidence and courage, enabling children to feel safe, speak up and be heard.

We actively promote pupil voice through our Pupil Parliament and School Council and ensure every child has access to trusted adults, worry boxes and regular themed safeguarding assemblies. Our dedicated pastoral team works closely with staff, families and external agencies to provide timely compassionate support. Through regular pupil questionnaires and class discussions, we listen, respond and adapt – because at Ladybrook, every child matters and every voice counts.

Safeguarding at The Flying High Academy Ladybrook is not just about policy – it is about creating a culture where children are safe, cared for and ready to lead with heart.

Safeguarding and child protection are embedded across the school's policies, procedures, and practices. All staff receive regular training and updates to ensure they understand their roles and responsibilities. The school works in partnership with children, parents/carers, and external agencies to promote a culture of vigilance and proactive safeguarding. The policy is made publicly available via the school's website and can be requested in alternative formats if needed.

Section B - Contextual Safeguarding at The Flying High Academy Ladybrook

Contextual safeguarding recognises that the risks children face are often beyond the control of their families and can occur in a variety of settings such as peer groups, schools, colleges and neighbourhoods. - **Pastoral support** from trusted adults, including form tutors, learning mentors, or designated pastoral staff.
- **Safe spaces within the school** where pupils can go if they feel overwhelmed or need time out.
- **Regular check-ins** for pupils involved in safeguarding concerns, including those subject to child protection or early help plans.
- **Empowerment through education**, including RSHE and PSHE lessons that build resilience, self-esteem, and understanding of safeguarding risks.
- **Direct work with children and young people** to help them share their views, explore their feelings, and understand their experiences.
- Staff should speak to the Headteacher (DSL) or Deputy DSLs, if they feel a pupil requires additional support following a safeguarding concern.

F - Supporting Pupils

At The Flying High Academy Ladybrook, we are committed to ensuring that all pupils feel safe, supported, and able to thrive. Safeguarding is not only about protecting children from deliberate harm but also about creating a nurturing environment in which they are valued, respected, and encouraged to achieve their full potential.

We recognise that some children may require additional support to stay safe, and we are dedicated to identifying and addressing these needs at the earliest opportunity. Our approach is informed by *Keeping Children Safe in Education (KCSIE) 2025*, *Working Together to Safeguard Children 2023*, and the *Nottinghamshire Safeguarding Children Partnership (NSCP)* procedures.

1. Whole-School Commitment to Support

- We aim to create a caring, positive, safe, and stimulating environment which promotes the social, physical, emotional, and moral development of all pupils.
- We ensure pupils know they can talk to trusted adults and that their voices will be heard and acted upon.
- Safeguarding and pupil wellbeing are embedded throughout our curriculum, pastoral support, and wider school activities.

At The Flying High Academy Ladybrook, our whole-school approach to safeguarding includes a visible and accessible safeguarding presence throughout the school day. Senior leaders and pastoral staff are available at the beginning, end, and during unstructured times to ensure children feel safe and supported at all times. Themed safeguarding assemblies, regular staff briefings, and safeguarding as a standard item on all meeting agendas ensure that pupil welfare remains at the heart of our daily practice. Our Personal, development, behaviour and wellbeing Team work alongside the wider pastoral team to provide timely, targeted support and build strong relationships with pupils and families.

2. Early Help and Pastoral Support

- We are committed to the principles of **early identification and intervention**, in line with the *Nottinghamshire Pathway to Provision*.
- Staff are trained to recognise when children may benefit from early help and to raise these concerns with the DSL.
- The DSL will consider early help assessments and referrals to external services, working closely with families to provide coordinated support.
- We make use of local initiatives such as **Operation Encompass**, ensuring staff are informed of incidents of domestic abuse and can provide timely support in school.

3. Supporting Vulnerable Groups

We recognise that some pupils are more vulnerable to safeguarding concerns. This includes, but is not limited to:

- Children with special educational needs and disabilities (SEND)
- Children with social, emotional, or mental health needs
- Children in care and previously in care
- Young carers
- Children missing education or persistently absent
- Children affected by domestic abuse, substance misuse, or parental mental health difficulties
- Children at risk of criminal or sexual exploitation (CCE/CSE), radicalisation, or serious youth violence
- Children from minoritised groups who may face additional barriers or discrimination

We will make reasonable adjustments and provide targeted interventions to meet these pupils' needs. Support may include in-school provision, referrals to early help, or multi-agency working through the NSCP framework.

To ensure the safety and success of our most vulnerable pupils, we make reasonable adjustments and provide bespoke support tailored to individual needs. This includes SEND Support Plans, De-escalation Plans, and Individual Risk Assessments where necessary, particularly where behaviour plans include CRB or physical intervention as a last resort. Our Relationship and Positive Behaviour Policy outlines our inclusive approach and ensures that adaptations are made to safeguard and support pupils with SEND or SEMH needs. Where appropriate, we work collaboratively with families and external agencies to implement timely interventions and ensure a consistent, child-centred approach.

4. Mental Health and Wellbeing

- All staff are trained to be alert to the links between safeguarding and mental health.
- Where a child is experiencing mental health difficulties, we will work with parents, the school's **Senior Mental Health Lead**, health professionals, and external services such as CAMHS (Child and Adolescent Mental Health Services), SAP (Sherwood Area Partnership), BeU.

- We promote mental health through a whole-school approach, including wellbeing initiatives, safe spaces in school, and embedding resilience and coping strategies within the curriculum.
- We provide an extensive pastoral offer.
- Worry Boxes in each classroom.

5. Use of Restrictive Practices

Restrictive practices are only used in exceptional circumstances to prevent harm and must be:

- **Proportionate, reasonable, and necessary**
- In line with our schools Restrictive Practice and Physical Intervention policy.
- Carried out by staff trained in approved techniques.
- Documented thoroughly, including the rationale, actions taken, and outcomes
- Reported to parents/carers and, where appropriate, safeguarding partners

Restrictive practices must never be used as punishment or to enforce compliance. We prioritise de-escalation, pupil dignity, and emotional regulation. Any use of physical intervention is reviewed by the DSL and senior leadership to ensure safeguarding standards are upheld.

6. Trauma-Informed and Inclusive Practice

- We adopt a trauma-informed approach, recognising the impact of adverse childhood experiences (ACEs) on behaviour, relationships, and learning.
- Staff are supported to respond with sensitivity and consistency, fostering trusting relationships and safe routines.
- We are committed to equality and inclusion, actively challenging discrimination and ensuring equity of access to support for all pupils.

7. Alternative Provision and Education Outside of School

Where a pupil is placed in alternative provision or educated off-site, we:

- Retain overall safeguarding responsibility and maintain oversight of the pupil's welfare and progress.
- Share relevant safeguarding information with the provider in advance of placement.
- Seek and expect written assurance that the provider has effective safeguarding policies and procedures in place.
- Monitor attendance, progress, and wellbeing through regular contact with both the provider and the pupil.
- Agree the provision in partnership with the Flying High Partnership (FHP), parents/carers, and relevant external agencies.
- Complete the FHP Alternative Provision checklist and Transition Plan as part of due diligence.

- Ensure written confirmation is obtained from the provider that all appropriate safeguarding checks have been carried out.
- Arrange for senior school staff, including safeguarding team members, to regularly visit and monitor the provision, including the effectiveness of safeguarding arrangements.

8. Ongoing Monitoring and Transitions

- Safeguarding records are monitored to identify emerging patterns of concern.
- Individual support plans are regularly reviewed with pupils, parents/carers, and professionals.
- When pupils move schools, safeguarding records are transferred securely and within five working days, in line with NSCP expectations.

9. Empowering Pupils

We are committed to equipping pupils with the knowledge and confidence to safeguard themselves by:

- Delivering **RSHE** programmes that cover online safety, healthy relationships, exploitation, and resilience.
- Ensuring pupils know about support services such as **Childline**, **NSPCC**, and local safeguarding agencies.
- Embedding opportunities for pupil voice, such as School Councils, Anti-Bullying Ambassadors or feedback forums, to shape our safeguarding culture.
- Using themed assemblies, class discussions and story-based learning to explore safeguarding themes in ways that are relatable and accessible to all age groups.
- Promoting a culture where children feel safe to speak up, ask questions, and challenge unsafe behaviours in themselves or others.
- Making safeguarding visible in school life through posters, displays and regular reminders of how to seek help and stay safe.

Section G - Safeguarding in the Curriculum

At The Flying High Academy Ladybrook, we believe safeguarding is most effective when it is **embedded across the whole curriculum** and The Flying High Academy Ladybrook, life. Our aim is to equip pupils with the knowledge, skills, and confidence to recognise risk, seek help, and make safe, informed choices in all aspects of their lives.

1. Whole-School Approach to Preventative Education

- Safeguarding education is delivered through a **planned, progressive, and age-appropriate programme** that reflects our school's values and ethos. Our curriculum is built on the principles of inclusion, empowerment, and preparation for life. Safeguarding themes are embedded across subjects, equipping children with the knowledge and confidence to stay safe, both in and out of school. Through carefully planned RSHE, PSHE, and computing lessons—alongside cross-curricular links and assemblies—we ensure pupils explore topics such as consent, online safety, respectful relationships, mental health, and personal boundaries in an age-appropriate and meaningful way. This preventative approach supports children to recognise risk, make informed decisions, and seek help when needed.

We are committed to **continuous improvement**, ensuring our safeguarding curriculum remains relevant, inclusive, and impactful, preparing pupils for life in modern Britain.

Section H - Online Safety

At The Flying High Academy Ladybrook, we recognise that safeguarding children includes protecting them from risks associated with digital technologies. Online safety is a core part of our safeguarding strategy and is embedded across our curriculum, policies, and school culture.

We are committed to ensuring that pupils, staff, and visitors use technology safely and responsibly, and that our systems are robust enough to prevent access to harmful content while enabling effective learning.

1. Whole-School Approach to Online Safety

Online safety is addressed through:

- A dedicated **Online Safety Policy** aligned with DfE guidance and the **Filtering and Monitoring Standards (2023)**

- Clear procedures for reporting online concerns, including cyberbullying, grooming, and harmful content

2. Filtering and Monitoring Systems

We use appropriate filtering and monitoring systems to:

- Block access to harmful or inappropriate content
- Monitor user activity for signs of risk or misuse
- Alert designated staff to potential safeguarding concerns

These systems are reviewed **at least annually** and are proportionate to the age, needs, and vulnerabilities of our pupils. We follow the DfE's **Digital and Technology Standards** and ensure:

- Roles and responsibilities for managing filtering and monitoring are clearly defined
- Systems do not unreasonably impact teaching and learning

We work with families to promote safe online habits and provide support where risks are identified.

Section I – Working with Parents/Carers

At The Flying High Academy Ladybrook, we recognise that safeguarding is most effective when schools work in partnership with parents and carers. We are committed to building strong, transparent relationships with families, based on mutual trust, respect, and shared responsibility for keeping children safe.

1. Communication and Transparency

We ensure that parents/carers:

- Are informed about the school's safeguarding responsibilities and procedures
- Understand how concerns are managed and when referrals may be made
- Know who to contact if they have safeguarding concerns
- Can access the school's Child Protection Policy and related safeguarding documents via the school website or on request
- Have clear safeguarding information displayed in the parent section of Reception, including key contacts and procedures
- Have access to Designated Safeguarding Leads (DSLs), who are present on site at the beginning and end of each school day to provide support and respond to concerns

We aim to communicate in a way that is clear, accessible, and sensitive to individual needs, including providing information in alternative formats or languages where required.

2. Consent and Information Sharing

We follow the principles of the **Data Protection Act 2018, UK GDPR, and Information Sharing Advice for Practitioners (DfE)**. While we seek parental consent for information sharing where appropriate, we will share information without consent if:

- A child is at risk of significant harm
- Seeking consent may increase the risk to the child
- There is a statutory duty to share information

Staff are trained to understand the boundaries of confidentiality and the importance of timely, lawful information sharing.

3. Supporting Families

We recognise that families may face challenges that impact their ability to safeguard their children. We offer support through:

- Early Help referrals and signposting to local services
- Pastoral support and family liaison staff
- Access to parenting programmes and workshops
- Referrals to external agencies (e.g., mental health, housing, domestic abuse support)

We work collaboratively with families to identify needs, agree support plans, and monitor progress.

4. Involving Parents in Safeguarding Education

We encourage parents/carers to engage with safeguarding education by:

- Sharing online safety guidance and resources
- Providing updates on safeguarding topics via newsletters, workshops, and school events
- Promoting awareness of risks such as exploitation, radicalisation, and harmful online content
- Encouraging open conversations at home about safety and wellbeing
- Signposting parents/carers to external support services and organisations for advice on safeguarding and wellbeing.

Providing opportunities for parents/carers to share feedback on the school's safeguarding approach, policies, and curriculum.

- Offering targeted sessions or resources to support parents/carers with specific safeguarding themes (e.g. healthy relationships, mental health, or substance misuse).

We aim to empower families to reinforce safeguarding messages and support their children's development.

5. Respecting the Child's Voice

Where appropriate, we consider the child's views when deciding whether to inform parents/carers about a safeguarding concern. This is particularly relevant where:

- The child is mature enough to make informed decisions
- Informing parents may increase risk or distress
- The child has expressed a clear preference

Decisions are made in consultation with the DSL and, where necessary, safeguarding partners.

Section J - Children in Care and Previously in Care

At The Flying High Academy Ladybrook, we recognise that Children in Care (CiC) and those previously in care may face additional barriers to learning, wellbeing, and safety. We are committed to promoting their educational achievement, safeguarding their welfare, and ensuring they feel valued and supported throughout their time in our school.

1. Designated Teacher Responsibilities

We appoint a **Designated Teacher for Children in Care**, who is responsible for:

- Acting as a key point of contact for the Virtual School
- Attending and contributing to **Personal Education Plan (PEP)** reviews
- Ensuring that CiC pupils receive appropriate support, interventions, and access to enrichment opportunities
- Monitoring progress, attendance, and wellbeing
- Liaising with carers, social workers, and other professionals

The Designated Teacher works closely with the **Designated Safeguarding Lead (DSL)** to ensure a coordinated approach to safeguarding and education.

The Designated Teacher (DT) for Children in Care is also the school's SENCo and a member of the Senior Leadership Team (SLT), ensuring strategic oversight of both safeguarding and inclusion. The DT meets weekly with the Designated Safeguarding Lead (DSL) and Deputy DSLs as part of scheduled safeguarding supervision meetings. These meetings are used to review current caseloads, escalate concerns where needed, and ensure coordinated support for vulnerable pupils, including those with SEND or in care. Safeguarding and SEND are standing agenda items at both SLT meetings and full staff briefings, enabling a whole-school approach to early identification, shared responsibility, and inclusive practice. The DT also liaises with Virtual School Heads, attends Personal Education Plan (PEP) reviews, and contributes to termly safeguarding self-reviews to evaluate the quality and impact of provision for Children in Care.

2. Children Previously in Care

We recognise that children who were previously looked after may continue to experience vulnerability. These pupils are supported through:

- Pastoral care and targeted interventions
- Access to mental health and wellbeing support
- Inclusion in safeguarding monitoring and review processes
- Continued liaison with the Virtual School where appropriate

Staff are made aware of the potential challenges faced by previously looked-after children and are trained to respond with sensitivity and understanding.

3. Private Fostering Arrangements

A **private fostering arrangement** occurs when a child under 16 (or under 18 if disabled) is cared for by someone who is not a parent or close relative for 28 days or more. We have a statutory duty to report any known or suspected private fostering arrangements to the local authority.

Staff must:

- Notify the DSL if they become aware of a private fostering arrangement
- Support the DSL in liaising with the family and confirming whether the local authority has been informed
- Ensure that safeguarding procedures are followed, and that the child's welfare is prioritised

We take steps during admission to verify the relationship between the child and the adults registering them.

4. Kinship Care Arrangements

Kinship care refers to children being raised by relatives or close family friends. These arrangements may be informal or formalised through legal orders. Schools must:

- Identify and support children in kinship care, including those not known to the local authority.
- Be aware of the local authority's published *Kinship Care offer* and signpost carers to relevant support.
- Liaise with the Virtual School Head to promote educational outcomes for children in kinship care.
- Ensure staff understand the potential vulnerabilities and safeguarding needs of children in kinship arrangements.

4. Multi-Agency Working

We work closely with **Virtual Schools, Children's Social Care, Health and mental health services, Carers and families** to ensure that CiC and previously looked-after children receive the support they need to thrive. We contribute to multi-agency plans and ensure that safeguarding concerns are addressed promptly and effectively.

Section K - Particularly Vulnerable Groups

At The Flying High Academy Ladybrook, we recognise that some children and young people may be particularly vulnerable to abuse, neglect, exploitation, or harm due to their individual circumstances, characteristics, or lived experiences. We are committed to identifying these pupils early, providing tailored support, and ensuring that safeguarding arrangements reflect their specific needs.

1. Identification and Monitoring

We actively monitor and support pupils who may be vulnerable due to factors including (but not limited to):

- Children from minority ethnic backgrounds or with protected characteristics
- Children who are LGBTQ+ or exploring their identity
- Children who are privately fostered

We make reasonable adjustments to ensure that pupils with protected characteristics or additional needs are safeguarded effectively. This includes:

- Differentiated safeguarding education
- Accessible reporting systems
- Tailored pastoral support
- Positive action to address disadvantage or discrimination
- Inclusive curriculum content and representation

We promote a culture of respect, equity, and inclusion, and challenge all forms of prejudice-based bullying or harassment.

- Staff are trained to understand SEND-specific safeguarding risks
- Communication methods are adapted to meet individual needs
- Additional pastoral support is available
- External agencies (e.g. Learning Support, EHCP teams) are involved where appropriate

We recognise that challenging behaviour may be a sign of distress or unmet need and respond accordingly.

4. Specific Safeguarding Risks

We are alert to specific safeguarding risks that may disproportionately affect vulnerable groups, including:

- **Female Genital Mutilation (FGM):** Staff are aware of the mandatory reporting duty and indicators of risk.
- **Forced Marriage and Honour-Based Abuse:** We educate pupils and staff on recognising coercion and cultural pressures.
- **Child Sexual Exploitation (CSE) and Child Criminal Exploitation (CCE):** We work with external agencies to identify and support children at risk.
- **Radicalisation and Extremism:** We fulfil our Prevent Duty obligations through training, curriculum, and referral pathways.
- **Serious Youth Violence and Knife Crime:** We engage with community partners and police to address local concerns.
- **Sexual Abuse and Grooming:** Staff are trained to identify signs of manipulation, distress, and inappropriate relationships, and respond swiftly and sensitively.

5. Multi-Agency Collaboration

We work closely with safeguarding partners to support vulnerable pupils, including:

- Children's Social Care
- Health and mental health services
- Youth justice and early help teams
- Domestic abuse and exploitation services
- Prevent and Channel teams

We contribute to multi-agency plans and ensure that pupils receive coordinated, timely support.

We are committed to preparing pupils for life in modern Britain by equipping them with the knowledge, skills, and confidence to identify risk, make safe choices, and seek help when needed.

1. Preventative Education Strategy

We adopt a **whole-school approach** to preventative safeguarding education, which includes:

- A planned programme of **RSHE** and **PSHE** that is age-appropriate, inclusive, and accessible to all pupils

- **Inclusive** of pupils with protected characteristics, with reasonable adjustments made where needed
- **Reviewed annually** to ensure relevance, impact, and alignment with statutory guidance

Pupils are actively involved in shaping the curriculum through feedback, pupil voice activities, and consultation.

4. Staff Responsibilities

All staff are expected to:

- Reinforce safeguarding messages across the curriculum
- Create safe spaces for discussion and disclosure
- Be alert to safeguarding indicators during lessons
- Liaise with the DSL if concerns arise during curriculum delivery
- Ensure that content is delivered sensitively and appropriately

Staff receive regular training to support effective delivery of preventative education.

Section M - Child-on-Child Abuse and Harmful Sexual Behaviour

At The Flying High Academy Ladybrook, we recognise that children can be both victims and perpetrators of abuse. We are committed to preventing, identifying, and responding to all forms of **child-on-child abuse**, including **harmful sexual behaviour (HSB)**, in line with statutory guidance and local safeguarding procedures.

We adopt a zero-tolerance approach to abuse and harassment between children and ensure that all incidents are taken seriously, investigated appropriately, and responded to with care and professionalism.

1. Definitions and Scope

Child-on-child abuse may include:

- Physical abuse (e.g. hitting, kicking, biting)
- Bullying (including cyberbullying and prejudice-based bullying)
- Sexual violence
- Sexual harassment (e.g. sexual comments, jokes, online harassment)
- Sharing of nudes/semi-nudes (youth-produced sexual imagery)
- Upskirting (a criminal offence under the Voyeurism Act 2019)
- Initiation/hazing-type violence and rituals

- Controlling or coercive behaviour in peer relationships
- Emotional and psychological abuse (e.g. manipulation, intimidation, gaslighting)
- Discriminatory abuse (e.g. racist, sexist, homophobic, biphobic, or transphobic behaviour)
- Harmful sexualised behaviour (that may fall below the threshold of sexual harassment or violence but still poses risk)
- Online abuse beyond bullying (e.g. grooming, coercion to share images, exploitation via gaming or social media)

Harmful sexual behaviour may be developmentally inappropriate, be coercive, abusive, or exploitative. It can occur online or offline and may be perpetrated by individuals or groups, directed at peers, younger children or even adults.

2. Prevention and Education

We take a proactive approach to preventing child-on-child abuse through:

- A robust RSHE curriculum that teaches consent, boundaries, respect, and healthy relationships
- Online safety education, including risks from mobile networks and AI-generated content
- Assemblies, workshops, and pupil-led initiatives
- Staff training on recognising and responding to HSB and child-on-child abuse
- Clear behaviour policies and safeguarding procedures
- Buddy systems to model positive relationships and provide additional support.
- Regular pupil voice opportunities (e.g. surveys, school council, focus groups) to capture how safe children feel and identify emerging concerns.
- Engagement with parents/carers through workshops, resources, and guidance on preventing and responding to child-on-child abuse.
- Use of external specialists/partner agencies to deliver targeted education (e.g. charities, police).
- Safe spaces and trusted adults identified within school so pupils know where and to whom they can turn.

We promote a culture where pupils feel safe to report concerns and understand that abuse is never acceptable.

3. Reporting and Responding to Incidents

All staff must report concerns about child-on-child abuse to the DSL immediately. The DSL will:

- Assess the nature and severity of the incident
- Consider the wishes and needs of the victim

- Take appropriate safeguarding action, including referral to MASH or the police if necessary
- Inform and involve parents/carers unless doing so would increase risk
- Record all actions, decisions, and outcomes in the safeguarding system. The Hackett Continuum is used to reference HSB.

Victims are supported to feel safe, heard, and respected. Perpetrators are also supported, with consideration given to underlying needs or trauma.

4. Supporting Pupils

Support for victims may include:

- Pastoral care and safe spaces
- Access to counselling or therapeutic services
- Regular check-ins and trusted adult relationships
- Safety planning and adjustments to routines

Support for perpetrators may include:

- Behaviour interventions and restorative approaches
- Referral to external services (e.g. CAMHS, youth offending)
- Education around consent, boundaries, and respectful behaviour

We recognise that both victims and perpetrators may require safeguarding support and that early intervention is key to preventing escalation.

5. Multi-Agency Working and Resources

We work closely with safeguarding partners to address child-on-child abuse, including:

- Nottinghamshire MASH
- Police and youth justice services
- NSPCC and Stop It Now
- Lucy Faithfull Foundation
- Nottinghamshire Local Authority and other relevant safeguarding partners

We use tools such as the **HSB Toolkit**, **Neglect Toolkit**, and **Contextual Safeguarding Self-Assessment** to inform our practice.

Section N - Allegation Against Staff

At The Flying High Academy Ladybrook, we take all allegations and concerns about staff conduct seriously. We are committed to maintaining a safeguarding culture where concerns are identified early, reported appropriately, and managed in line with statutory guidance and local procedures.

This section applies to all staff, including supply staff, volunteers, contractors, and visitors working with children.

1. Managing Allegations

We follow the procedures outlined in **Part Four of Keeping Children Safe in Education (KCSIE) 2025** and the **Nottinghamshire Safeguarding Children Partnership (NSCP)** protocols.

An allegation may relate to a person who works with children and has:

- Behaved in a way that has harmed a child or may have harmed a child
- Possibly committed a criminal offence against or related to a child
- Behaved towards a child in a way that indicates they may pose a risk of harm
- Behaved in a way that indicates they may not be suitable to work with children

All allegations must be reported immediately to the **Headteacher**.

If the **allegation concerns the Headteacher**, it must be reported to the **Chair of Governors** who will act as the **Case Manager**. The chair must ensure the **Local Authority Designated Officer (LADO)** is informed within **one working day** and follow all statutory procedures to safeguard pupils and ensure a fair, impartial investigation.

Further support is provided to the DSL team by the Flying High Partnership (FHP) Safeguarding Leader and the wider FHP Safeguarding Team, ensuring that all allegations are managed with transparency, rigour, and in line with statutory procedures. Where an allegation is made, the Case Manager (usually the Head Teacher or Chair of Governors) will liaise directly with the FHP Safeguarding Lead, the FHP HR Team, and relevant external agencies, including the LADO. Where the allegation concerns the Headteacher, the Governor responsible for Managing Allegations will also liaise with the FHP Deputy CEO, who is the Partnership's designated Whistleblowing Officer. This governor will have attended appropriate Managing Allegations training and will ensure that the process remains impartial, timely, and compliant with national and local guidance.

2. Role of the Case Manager and LADO

The **Case Manager** (usually the Headteacher or Chair of Governors) is responsible for:

- Liaising with the LADO
- Ensuring the allegation is investigated promptly and fairly
- Coordinating with police and children's social care where necessary
- Ensuring the safety and welfare of the child
- Supporting the member of staff subject to the allegation

The **LADO** provides oversight, advice, and guidance throughout the process and ensures consistency and timeliness.

3. Low-Level Concerns

A **low-level concern** is any concern that does not meet the harm threshold but may indicate that an adult is acting in a way that is inconsistent with the setting's Code of Conduct.

Examples include:

- Being overly familiar with pupils
- Using inappropriate language
- Failing to maintain professional boundaries

All low-level concerns must be reported to the Headteacher and recorded securely. Patterns of behaviour are monitored, and concerns are escalated if necessary.

We promote a culture where staff feel confident to report concerns without fear of reprisal.

4. Whistleblowing

We encourage staff to raise concerns about poor or unsafe practice through our **Whistleblowing Policy**. This includes concerns about:

- Safeguarding failures
- Unsafe behaviour by colleagues
- Inadequate safeguarding procedures

Staff can report concerns internally or contact the **NSPCC Whistleblowing Helpline**:

Tel: 0800 028 0285 or email: help@nspcc.org.uk

Whistleblowers are protected under the Public Interest Disclosure Act and will not suffer detriment for raising genuine concerns.

5. Safeguarding Culture

We are committed to fostering a safeguarding culture that includes:

- Clear expectations for staff behaviour (Code of Conduct)
- Regular safeguarding training and updates
- Open dialogue and reflective practice
- Support for staff involved in safeguarding processes
- Transparent and fair management of allegations

Safeguarding is everyone's responsibility, and we expect all staff to uphold the highest standards of professional conduct.

- The photograph is checked against the supply's driving licence or passport
- They sign in using the sign in system
- They are issued with a document with DSL's, first aiders, an overview of school timings, acceptable use and behaviour steps

6. Safeguarding Responsibilities

- Follow the school's safeguarding procedures
- Report any concerns immediately to the **Designated Safeguarding Lead (DSL)**
